RICHARD VIESEHON'S
CELEBRATED
Patent Axle Grease.

This Grease, for Omnibuses, Stages, Wagons, Drays, &c., is found to be superior to any hitherto discovered. It combines all the blandness of Oil with the free greasy nature of Tallow, keeps the Axles always cool and clean, and remains on them, without requiring fresh application, double the time of any other Grease known. The great economy and advantage arising from its use will at once be observed, as a single trial is sufficient to exhibit to the customer a saving of at least 75 per cent. Refers to all Express Co.'s in the city.

STREET DIRECTORY,

INCLUDING

STREETS, AVENUES, LANES, ALLEYS, COURTS, WHARVES, &c.

IN THE

CITY OF BALTIMORE.

EXPLANATION.—If you wish to find the location of any house—for instance, 71 N. CHARLES-ST., on consulting the Street Directory, see CHARLES, (N.) you will observe 55 is on the N E. corner of Charles and Saratoga-sts., hence the desired No. 71 will be between Saratoga and Pleasant-sts., right hand. Or, if you are going up Charles-st. and wish to take a cross street so as to call, for example, at 103 Park-st., examine the numbers on the corner of Park-st., (see PARK, Street Directory,) and you will find 95 on the corner of Park and Centre, then by counting four houses you arrive at the desired No. 103, right hand.

Entered, according to Act of Congress, in the year one thousand, eighteen hundred and seventy, by John W Woods, in the Clerk's Office of the District Court of Maryland.

POSTAL RULES.

Many errors occur by persons not observing the following regulations in depositing letters, papers, or miscellaneous publications in the office for mailing:

Direct letters plainly to the street and number, as well as the post office, County and State. By inserting upon letters the county in which the office is located, many errors in superscription might be detected, and mistakes in mailing avoided.

Head letters with the name of the writer's post office and State, street and number. Sign them with full name, and request that answers be directed accordingly.

All Drop Letters or letters to be delivered within the city, must be prepaid by postage stamps, at the rate of 2 cents per ½ ounce or under.

Prepayment by Stamps required on all letters to places within the United States, at the rate of 3 cents per ½ ounce or under.

Full prepayment by stamps required on all transient printed matter, foreign and domestic.

All letters not prepaid by Stamps, all such as are received in the office with Stamps cut from stamped envelopes, or with such postage stamp as were in use prior to 1861, or with Revenue Stamps on them, are treated as "unmailable," and are sent to the Dead Letter Office.

Packages containing poisons, oils, explosive chemicals, liquids, or anything calculated to injure or endanger the safety of the mails, will not be received.

Valuable letters should in all cases be registered, and when money is designed to be transmitted, Postal Money Orders (to secure safety in transmission,) should, when practicable, be obtained.

Letter postage is to be charged on all Handbills, Circulars, or other printed matter which shall contain any manuscript writing whatever.

A letter once delivered to any one authorized to receive it, cannot be forwarded without additional postage.

LOTTERIES AND SO-CALLED GIFT CONCERTS.

All letters or circulars concerning lotteries, so-called gift concerts, or other similar enterprises offering prizes of any kind on any pretext whatever, deposited in this office to be sent by mail, will be treated as unmailable, and sent to the Dead Letter Office.

MANUSCRIPT.

Manuscript for publication in newspapers, magazines, or periodicals, transmitted by mail, must be prepaid at letter rates of postage. None but Book MSS. can pass at rates prescribed for transient and printed matter.

The Following Classes of Letters are not Advertised:

Drop Letters, unless a three cent postage stamp is affixed.—Letters bearing requests to be returned to writers, or bearing the name and address of the writer.—Box letters.—Letters directed and sent to Hotels, and thence returned to the post office as unclaimed.—Letters returned from the dead letter office to writers.—Circulars free packets containing printed documents, speeches, and other printed matter.—Official letters from any department of the Government.

CITY DELIVERY.

Free delivery of letters by faithful carriers will be secured by having them plainly addressed to the street and number. No necessity exists for persons calling at the office, as all may have their mail matter left at their residences regularly, without risk or charge. Persons wishing their mail matter delivered by Carriers, will please leave orders at the post office, or with the Carrier. The public are requested to adopt the house door letter boxes, the use of which will result in greatly increased rapidity in the delivery of letters.

Weekly Newspapers, properly folded and addressed, when sent to regular subscribers in the county where printed and published, will be delivered at the office free of postage, when deposited at the office nearest the office of publication: but such papers will not be distributed by carriers unless postage is paid upon them in advance, at the rate of five cents per quarter, either at the mailing office or at the office of delivery.

COLLECTIONS.

The letter collection boxes are placed in every section of the city, and are collected therefrom three times daily, at 4 A. M., 11 A. M., and 4 P. M., except Sunday, when one collection, at 4 P. M. is made. Letters are also collected from and delivered at the principal hotels.

Valuable letters should be carried to the post office and registered. If money is to be remitted, a postal money order should be obtained. If upon points where there is no money order office, then the letter should be registered. Money should never be enclosed in an ordinary letter.

DOMESTIC MAILS.

The single rate of postage is three cents, throughout the United States, for ½ ounce or under. An additional rate of three cents is required for each additional ½ ounce, or fraction thereof.

The following are the quarterly rates of postage, when paid quarterly or yearly in advance, on newspapers and periodicals, issued once a quarter or more frequently and sent to actual subscribers from a known office of publication.
